

THE MARYLAND FM ASSOCIATION INC.
P.O. BOX 351
HANOVER, MARYLAND 21076-0351

146.76, 224.76, 444.0 MHz, www.marylandfm.org

An Invitation

The Club currently maintains FM repeaters and links on the three VHF, and UHF bands as part of the hobby, and as a public service. Any Amateur Radio Service licensee may use the repeater system without membership in MFMA. We invite and welcome new members to support, suggest improvements, and be a part of the oldest established repeater organization in the area.
